

RUBBERSIDEWALKS, INC.

TERREWALKS® LIMITED PRODUCT WARRANTY

Dear Customer,

Rubbersidewalks, Inc. is happy to offer TERREWALKS® limited product warranty covering material defects or workmanship for 5 years from the documented time of purchase. TERREWALKS is strong, durable, UV resistance, and is expected to surpass its warranty. TERREWALKS is reusable should you change its location or application.

This limited warranty does not cover matters which are beyond the control of the company, including installation, maintenance and handling of product. Company provides in depth Installation Guide materials and offers on site installation training, and installation webinar installation training.

Should customer desire coverage of liability issues related to installation and handling of product, Company recommends seeking such coverage from the General Contractor or party responsible for handling and installing product.
